CONTRIBUTION MANAGER'S GUIDE

1.1 Contribution Manager

The Contribution Manager is responsible for managing the information in a contribution. You are given contribution management access by either the Conference Manager, Session Manager, the existing Contribution Manager and possibly the Session Co-ordinator.

You can access your contribution by selecting *My contributions* under *My conference* in the left menu in the event home page. You will see a list of your contributions. To access the contribution page in the event page, click on *View*. To access the contribution management area, click on *Edit*. Both will be to the right of the contribution's name.

1.2 Contribution Management

Once in the contribution management area you can start managing your contribution using the following tabs.

This is just a quick start guide for contribution management, for an in-depth explanation please see Contributions in the Indico User Guide.

1.2.1 Main Tab

In the main tab, you can manage the main information about the contribution; its ID, title, content, date and time etc. You can assign the contribution to a track or a session, and select the authors, co-authors and presenters, as you can see below.
